

CHESS CLUB

Do you like playing games? Do you like strategy? Do you like friendly competition?

Chess is a fun game that incorporates many aspects of being an international, global citizen and student. You grow to be knowledgeable, inquirers, thinkers, communicators, principled, open-minded, caring, risk-takers, balanced, and reflective. The chess club is meant to foster your intellectual growth while having fun.

If you have never played before, come learn. If you have played a lot, come hone your skills and challenge yourself with others.
